INSTRUCTIONS FOR ORAL PRESENTATIONS

Guidelines for oral presentations

When preparing your presentation please note the following:

- The time allocated for your presentation is not more than 10 minutes, Followed by up to 5 minutes for discussion.
- Five other abstracts will be presented in the same session. We therefore ask you not to exceed the time limit in order to give the other speakers enough time for their talks and to allow for a fruitful discussion.
- Please use a short PowerPoint presentation for your talk, in the format .ppt or .pptx with a maximum of 10 slides. Indicate the presenting author if different from the first author
- There will be a Media Check room at the congress venue where you can review and upload your presentation file. This file must be delivered to the technical staff at the Media Check room at least two hours before the start of your session. Presenters are encouraged to bring electronic backup copies. Please note that the organising committee is not responsible for damaged files or unreadable files or formats.
- Also, please note that it is not possible to upload your presentation directly in the plenary hall or to use your own laptop. All presentations have to be checked and uploaded at the Media Check room.
- Please disclose any potential conflict of interest; conflicts of interest needs to be declared in your presentation
