

# EAPC 2019

16<sup>th</sup> World Congress of the European Association for Palliative Care  
Global palliative care – shaping the future  
23 – 25 May 2019 | Berlin, Germany

## ePOSTER TERMINALS

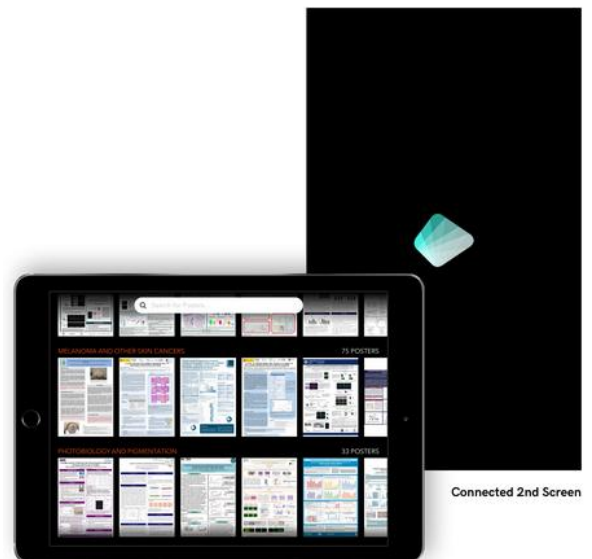

### Onsite Set-Up

There will be 3 ePoster terminals onsite in the congress area. All uploaded posters will be automatically available on all three congress day – thus, extending the time during which your poster is displayed.

### Features

#### Poster Overview

- The iPad app contains all conference content, allowing delegates to browse the posters in their own time
- Posters are sorted by scientific category
- Tapping an ePoster will take you to a preview of the poster

iPad as control unit

- Having tapped an ePoster from the overview, the ePoster will be shown in full size on the iPad, as well as on the connected 2nd screen to mimic poster boards
- Continue navigating through the content by swiping through the ePoster collection
- Use pinch motions with your fingers to zoom in and out to highlight the different parts of the ePoster

iPad as control unit

## Search

- Delegates can search by Abstract ID, Poster Title or Author Name to find relevant posters in milliseconds

## Share

- Share posters with anyone via the "*Share Poster*" button
- Enter the recipient's email, with the option to add a fully customizable message
- Provide non-delegates with access to research content to start a scholarly conversation
- The "*Share Poster*" button will be disabled if the poster's setting is set to private

## **After the congress**

All submitted ePosters will be available on a platform via the EAPC society website after the congress.
