

## Open Workshop

Wednesday, 22<sup>nd</sup> May 2019 – 3.00 to 6.00pm

Room No. 5 (2nd floor), Estrel Hotel & Congress Center, Berlin, Germany

Title:

### **Open Workshop: Enabling Leaders in Palliative and End of Life Care**

This open session on leadership in palliative care will be started by two keynote experts concerning new leadership approaches in palliative care (Dr. Sally Watson, UK) and the international leadership development initiative (Prof. Frank Ferris, USA). Thereafter Alumni from the EUPCA leadership course will give insight into their personal leadership development and practical impact of their projects in different parts of Europe. Their Alumni platform will be presented and information on how to apply for the next EUPCA course starting in September 2019 will be given. The discussions result in the launching of the EAPC leadership task force (Prof. Raymond Voltz, Germany). Interested parties are welcome, no notification required.

### **Programme:**

#### Chair:

Sheila Payne                      Professor, Department of Health Research, Lancaster University, UK
